## HOW IT WORKS – The PROCESS

- Players who introduce a Player Sponsor to the club **after** paying their registration fee can request the funds be credited to their Social Membership card. Alternatively, the player can request a full refund of the amount paid. Both the player and the sponsor will receive social membership cards and be eligible for all the entitlements of social membership. IE 20% Bar discount and inclusion in the weekly cash draws.
- Players who introduce a sponsor **prior** to paying registrations will receive a code from Lee Young to enter when registering. This code acts as a voucher and will necessitate no payment being required when processing registration.
- The payment of registration fees will greatly assist the club financially and will contribute to providing top-level insurance, medical, physio support and post-match food.
