MINIMUM AGE POLICY

In order to ensure the welfare of each player, his/her teammates and opposition players, the Club considers it suitable to set a minimum age to play football.

The South Metro Junior Football League fields teams in under 8.

In order to qualify to register with Beamaris Football Club in under 8, an applicant player must be a minimum of 7 years of age as at 30 April in the calendar year of their first season to be eligible to be registered. This qualification accords with the SMJF By Laws.

The club does not have a discretion to allow a child to play in the under 8 age group if they do not qualify.

For all players, their appropriate age group is determined by the player's age at 31 December in the year of the current season. For example, a player who turns 9 years of age in the calendar year of the current season will be eligible to play in the under 9 age group in the competition
