BEAUMARIS FOOTBALL CLUB POLICY – PLAYING WITHIN AGE GROUPS

Beamaris Football Club has a policy that boys will play in their designated age group. The club allows applications in writing to vary this policy on an individual basis. The application should be made directly to the club and will be decided upon by a subcommittee to include the President, Vice President and relevant Coaching Co-ordinator.

From time to time the club will vary the policy where a team at a higher age level does not have sufficient players to field a team, including a 4 man interchange bench. The use of such underage players is not to be to the detriment of the players' regular team.

As a guideline the players playing up would be expected to play no more than 3 quarters of football in the higher aged team. The maximisation of regular player playing time is expected.

If in following the above procedure an underage player becomes eligible for finals football all 'of age' players take precedence in team selection for these finals games.

Coaches will make every endeavour to confer with the parents of the boy seeking to play up before approaching the player.

From time to time coaches in conjunction with the Director of Coaching will seek to play players out of their age group if of the opinion of the Director of Coaching that it will enhance the development of the said player.
